# WHAT OTHERS HAD TO SAY...

*Dear Dr. Rodgers“*

*I don't have monetary things but I do have love and appreciation for everything you've done in my life since you began to be my doctor. You nursed me back to health when I was at death's door. You have been there every step of the way from my LVAD to my heart transplant....even came to visit me in the hospital when you didn't have to. Thank you so much!*

**-Ms. Gloria 2019**

*Dr. Rodgers“*

*I just want to let you know how much I appreciate you as my doctor. You have been so much more than that. You have been with me through everything after I lost my husband. I am going to miss you but I know that God has a greater call for your life. If you don't live the life you LOVE, you won't have any life at all. Love you always.”*

**-Deacon U. H 2019**

*“I appreciate everything you have done and taught me over the years. You always encouraged me and spoke positive words over my life. You are one of the main reasons, I decided to go back to nursing school. Your constant pushing motivated me to take the next step. Love always”*

**-Nurse Rivers 2019**

*“This is Mrs. B who loves you with all of my heart. For 5 years, you have shown me and my mom love and compassion. I thank God for you. If every doctor in the world were like you, it would be a beautiful place. Love you always”*
